

MobyMax

What Is It & How Can It Help Your Child?

MobyMax is an award-winning adaptive learning platform used by millions of students worldwide. It covers all core subjects from Grade R to Grade 9 and automatically adjusts to your child's exact level — filling gaps and building confidence every day.

How Does It Work?

Placement Test

Your child takes a short test so MobyMax knows their exact starting point in each subject.

Adaptive Learning

Lessons automatically adjust to your child's level — not too easy, not too hard.

Real Progress Tracking

See exactly which grade level your child is working at and how they're improving week by week.

Mastery-Based

Children must truly understand each concept before moving on. No skipping ahead with gaps.

9 Core Subjects Covered

Maths	Language	Science
Social Studies	Reading (Literature)	Reading (Informational)
Writing Workshop	Phonics & Spelling	Foundational Reading

Why Parents Love MobyMax

Weekly Progress Reports

Receive a detailed report every week showing progress across all 9 subjects with easy-to-read graphs.

Works Anywhere

Your child can learn at home, on the go, or at school. All they need is an internet connection.

Finds Hidden Gaps

Many 'A students' are actually years behind internationally. MobyMax finds and fixes those gaps.

Proven Results

Students regularly catch up 2–3 grade levels within months of consistent daily use.
